## COTRTS-DOES PROSPECTUS

## **1. FROM THE DESK OF THE PRESIDENT**

**Dear Prospective Student,**

Congratulations for choosing Church On The Rock Theological Seminary for your spiritual and academic training. It is my immense pleasure and joy to welcome you and introduce to you COTRTS. I praise God for bestowing upon me the honor of sharing and continuing the vision that He entrusted to my father, Late Apostle Dr. P. J. Titus, Founder /Chairman of COTR College of Ministries. Since 1983, COTRTS has been a center for shaping, molding, equipping hundreds of young lives in the Word of truth for the noble task of the Master. I have been witnessing the truth, that the men and women who come to this institution are never the same in areas of academics, spiritual vitality, ministerial zeal, interpersonal relations, character development, leadership potentials and dividing the Holy Scriptures. As the result of God's enduring grace, COTRTS has commissioned and sent out over 2000 graduates, who are being mightily used in God's hands, both across the nation of India and around the globe. They are effective leaders of various ministries, as successful pastors of the Body of Christ, and as academicians rightly teaching the Word. COTRTS provides the students with a wide range of academic, spiritual and ministerial training, both in and outside the campus. The Research and Resource Center is our sophisticated library, a family commons, Spirit-filled community of worship, Christian education ministries to Nava Jeevan Public school and Junior College students, all within a beautiful garden estate. I strongly believe that your being here at COTRTS and having the exposure to the distinctive facilities and resources will richly bless and drastically change your life. Your leadership skills will be sharpened positively to be a spirit-filled and disciplined minister, who does not need to be ashamed in divining the Counsel of God, and leading many souls into the glory of the Kingdom of God. Looking forward to see you at COTRTS

Rev. Johnson P Titus

The sixty-six canonical books of the Old and the New Testament to be the inspired and only infallible and authoritative Word of God.

One God, eternally existent in three persons: God the Father, God the Son and God the Holy Spirit.

The only means of being cleansed from sin is through repentance and faith in the precious blood of Jesus Christ. Regeneration by the Holy Spirit is absolutely essential for personal salvation.

In the identification of the believer with Christ's death and resurrection by immersion baptism.

The redemptive work of Christ on the cross provides healing to the human body in answer to believing prayer.

The baptism in the Holy Spirit, according to Acts 2:4 is given to believers who ask for it.

The sanctifying power of the Holy Spirit by whose indwelling a believer is enabled to live a Holy life.

The Church is the fellowship of all who have become children of God, through faith in Christ and have been knit together by the Holy Spirit into one body of which the Lord Jesus is the head.

### **9 HISTORY OF COTRTRS**

As for Rev. Dr. P. J. Titus, March, 1981 was full of significant days. God challenged him to relinquish his well-established comforts and security after 18 years of stay in USA. He received the call of God to go back to his motherland India. The fire that God ignited in him was difficult to extinguish or quench, and the vision to reach the perishing millions in India became certain. Soon, five other like-minded men of God joined with Dr. P. J. Titus and registered a non-profit mission agency - "Christ For India, Inc." in Texas, USA. Two missionaries, Dr. P. J. Titus and Dr. David Shibley, came to India in 1982, with the view of setting up a Bible College, to train missionaries for the evangelization of India. In spite of many invitations from major cities and his own state Kerala, he chose to pioneer the work in his original mission field - Andhra Pradesh, where he was a pioneering pastor of India Pentecostal Church with his uncle Late Apostle P. M. Samuel, prior to his settlement in the USA. Pastor K.C. Mathew was an influential figure in the pioneering stages. COTRTRS has grown from its first batch of thirty students to over 2000 graduates in the field today. COTRTRS is the educational institution of COTRCOM.
