This year we are blessed by a very loving donation of books belonging to our long time friend and visiting faculty, late Dr. Siga Arles.

Dr. Mrs. Nalini Arles donated all the personal collection of missions books belonging to him to our COTR Library.

She was present to dedicate and open this special section "Dr. Siga Arles Center for Mission Studies" in our library on 24th November 2017, in memory of Dr. Siga Arles.

FOUNDERS DAY

For the first time in the history of COTR COM, the Founder's Day was celebrated without the Founders being physically present with us but we believe that they were present in spirit.

It was celebrated on 20th December, 2017 and people from all areas of COTR COM came and paid their tributes to the founders. The message was shared by Dr. Pari Titus from the lives of the founders.

It was a great honor to be part of this great day in remembering our late founders

Dr. P.J and Mary Titus.
